

AMENDMENT TO THE SPECIFICATION

Please amend the specification as indicated below, without prejudice or disclaimer. Replacement page 2 is attached to this submission.

At p. 2, lines 30-32, please amend the specification as follows:

Figure 12. Human B7.1 gene in an ALVAC C6 donor plasmid under the control of the H6 promoter (SEQ ID NOS.: 11, 12).

Figure 13. CAP(6D)-1,2 CEA DNA sequence in an ALVAC C3 donor plasmid under the control of the H6 promoter (SEQ ID NOS.: 13, 14).
